

# Receiving your NDIS plan

## Checklist

**When you receive your NDIS plan, some things you might want to do could include:**

	Checking your plan to see that it reflects what you discussed at your planning meeting
	Contact the NDIS and activate your NDIS plan
	Notify your service providers that your plan is active
	Discuss your support requirements with your service providers
	Sign a 'Service Agreement' with them

Blue Care can support you through your NDIS journey. For more information and free pre-planning resources, go to [bluecare.org.au/disability](https://bluecare.org.au/disability) or phone **1300 77 80 81**
