

# Blue Care and the NDIS

## (National Disability Insurance Scheme)

At Blue Care, we believe everyone has the right to live a rich and fulfilling life that is not defined by disability - a life where you're free to make your own decisions, however big or small. The NDIS is your opportunity to do exactly that. It opens up a whole new world of possibilities, enabling you to shape your own future like never before.

At Blue Care we are ready to work with you to make the most of this new scheme, so you can live life your way.

### **What is the NDIS?**

The National Disability Insurance Scheme (NDIS) is a new government initiative which changes the way people with disability receive funding and support. Under the NDIS, you will be able to tailor the support you receive to meet your own needs and goals.

The NDIS has commenced its rollout across Queensland and is now available in the Townsville, Mackay, Toowoomba, Ipswich, Bundaberg and Rockhampton regions.

To be able to access the NDIS you have to meet certain requirements, such as being under 65 years of age. Please check whether you can access the NDIS on the website [www.ndis.gov.au](http://www.ndis.gov.au) or call us on 1300 77 80 81.

### **How can Blue Care support you with the NDIS?**

No matter what you want to achieve, Blue Care is here to offer the support you need, when you need it. Blue Care is a registered provider, so we can deliver our wide range of services under the NDIS.

Once the NDIS is introduced in your region, we can support you through the whole process. We can help you to:

- Understand the NDIS and what it means for you
- Plan for your first meeting with the NDIA
- Choose your supports
