Village Comparison Document

Retirement Villages Act 1999 (Section 74)

This form is effective from 1 February 2019

Name of village: Bethania Independent Living Units

Important information for the prospective resident

- The Village Comparison Document gives general information about the retirement village accommodation, facilities and services, including the general costs of moving into, living in and leaving the retirement village. This makes it easier for you to compare retirement villages.
- The Retirement Villages Act 1999 requires a retirement village scheme operator to:
 - provide a copy of the Village Comparison Document to a prospective resident of the retirement village within seven days of receiving a request
 - include a copy of the Village Comparison Document with any promotional material given to a person, other than through a general distribution (e.g. mail-out)
 - publish the Village Comparison Document on the village's website so that the document, or a link to it appears prominently on each page of the website that contains, or has a link to, marketing material for the village
- You can access a copy of this Village Comparison Document on the village website at www.bluecare.org.au
- All amounts in this document are GST-inclusive, unless stated otherwise where that is permitted by law.

Notice for prospective residents

Before you decide whether to live in a retirement village, you should:

- Seek independent legal advice about the retirement village contract there are different types of contracts and they can be complex
- Find out the financial commitments involved in particular, you should understand and consider ingoing costs, ongoing fees and charges (which can increase) and how much it will cost you when you leave the village permanently
- Consider any impacts to any pensions, rate subsidies and rebates you currently receive
- Consider what questions to ask the village manager before signing a contract
- Consider whether retirement village living provides the lifestyle that is right for you. Moving into a retirement village is very different to moving into a new house. It involves buying into a village with communal facilities where usually some of the costs of this lifestyle are deferred until you leave the village. These deferred costs when you leave your unit may be significant.
- Seek further information and advice to help with making a decision that is right for you. Some useful contacts are listed at the end of this document, including:
 - Queensland Retirement Village and Park Advice Service (QRVPAS) which provides free information and legal assistance for residents and prospective residents of retirement village. See www.caxton.org.au or phone 07 3214 6333.
 - The Queensland Law Society which can provide a list of lawyers who practice retirement

village law. See www.qls.com.au or phone: 1300 367 757.

More information

- If you decide to move into a retirement village, the operator will provide you with a Prospective Costs Document for your selected unit, a residence contract and other legal documents.
- By law, you must have a copy of the Village Comparison Document, the Prospective Costs
 Document, the village by-laws, your residence contract and all attachments to your residence
 contract for at least 21 days before you and the operator enter into the residence contract.
 This is to give you time to read these documents carefully and seek professional advice about
 your legal and financial interests. You have the right to waive the 21-day period if you get
 legal advice from a Queensland lawyer about your contract.

The information in this Village Comparison Document is correct as at 1 October 2020 and applies to prospective residents.

Some of the information in this document may not apply to existing residence contracts.

11.2 What other exit costs do residents need to pay or contribute to?

☐ Sale costs for the unit

□ Legal costs

- Exit Administration Fee; and
- A portion of the costs of valuation (if you and operator cannot agree on resale value).

Note from scheme operator: If a resident applies for and is accepted for a Concessional Licence contract, the resident is not required to contribute to the costs listed above.

Part 12 - Reinstatement and renovation of the unit

12.1 Is the resident responsible for reinstatement of the unit when they leave the unit?

Note from operator: If a resident applies for and is accepted for a Concessional Licence contract, the resident is only responsible for damage they cause to the accommodation unit. The scheme operator will pay all other costs associated with reinstatement work.

Reinstatement work means replacements or repairs that are reasonably necessary to return the unit to the same condition it was in when the resident started occupation, apart from:

- fair wear and tear; and
- renovations and other changes to the condition of the unit carried out with agreement of the resident and operator.

Fair wear and tear includes a reasonable amount of wear and tear associated with the use of items commonly used in a retirement village. However, a resident is responsible for the cost of replacing a capital item of the retirement village if the resident deliberately damages the item or causes accelerated wear.

	Entry and exit inspections and reports are undertaken by the operator and resident to assess the condition of the unit.	
12.2 Is the resident responsible for renovation of the unit when they leave the unit?	☐ Yes, all residents pay% of any renovation costs (in same proportion as the share of the capital gain on the sale of their unit)

By law, the operator is responsible for the cost of any renovation work on a former resident's unit, unless the residence contract provides for the resident to share in the capital gain on the sale of the resident's interest in the unit. Renovation costs are shared between the former resident and operator in the same proportion as any capital gain is to be shared under the residence contract.

	Note from the scheme operator: If a resident applies for and is accepted for a Concessional Licence contract, the resident must pay the End of Licence Fee in accordance with the residence contract.	

14.2 When is the exit entitlement payable?

By law, the operator must pay the exit entitlement to a former resident on or before the **earliest** of the following days:

- the day stated in the residence contract
 - which is 18 months after the termination of the residence contract if you select a 5% Reduced Contribution Contract or a 10% Reduced Contribution Contract; or

- 14 days after the settlement of the sale of the right to reside in the unit to the next resident or the operator
- 18 months after the termination date of the resident's right to reside under the residence contract, even if the unit has not been resold, unless the operator has been granted an extension for payment by the Queensland Civil and Administrative Tribunal (QCAT).

In addition, an operator is entitled to see probate or letters of administration before paying the exit entitlement of a former resident who has died.
