Continence Courses 2017

Blue Care Continence Advisory Service Brisbane

Continance Promotion Course

Our two day course aims to provide Registered Nurses, Enrolled Nurses, Allied Health professionals and other health workers with current information on continence care and an understanding of the impact incontinence has on clients and carers, including at risk communities.

Dates:

- 20 - 21 March 8.30am - 4.30pm
- 15 - 16 May 8.30am - 4.30pm
- 21 - 22 August 8.30am - 4.30pm
- 23 - 24 October 8.30am - 4.30pm

Cost: \$330 GST included

(UnitingCare Queensland staff are exempt from paying the GST cost).

Lunch, morning and afternoon tea are provided.

Module Content:

Module 1: Overview of incontinence, anatomy and physiology of the urinary system.

Module 2: Types of urinary incontinence.

Module 3: Assessment of urinary incontinence and effects of medication.

Module 4: Catheter care overview including intermittent catheterisation and sheaths.

Module 5: Restoration and conservative management of urinary incontinence.

Module 6: Bowel anatomy and physiology assessment and bowel management.

Module 7: Schemes, MASS, CAPS and DVA. Overview of continence products.

A trade display will be presented at most workshops.

Course Location:
