Blue Care Continence Advisory Service
Azure Blue Carina
455 Richmond Rd Carina QLD 5142

Contenance Awareness Course for Personal Carers

A three hour workshop designed to provide basic knowledge in continence care. It is aimed at Personal Carers and can be arranged for a time and place to suit your service.

Other Continence Courses

The Blue Care Continence Advisory Service can develop continence courses tailored to dates, times and topics. Areas covered may include catheter bag management, application of continence aids and skin care.

Catheter Education for Registered Nurses and Enrolled Nurses available.

Contenance Promotion Course

Our two day course aims to provide Registered Nurses, Enrolled Nurses, Allied Health professionals and other health workers with current information on continence care and an understanding of the impact incontinence has on clients and carers, including at risk communities.
