www.bluecare.org.au or by calling our Customer Service Centre on **1300 Blue Care (1300 258 322)**.

Services pricing and costs

Our services are subsidised by the Australian and State Governments and fees are determined in accordance with Government guidelines and by agreement with a client or their representative.

Blue Care services can be funded in many different ways, and all clients are required to contribute to the total cost of their care. The amount you pay depends on whether your care is regulated and subsidised by the government, by another funding source, or if you are paying privately for your services.

Both Blue Care and the Government policies ensure a fair and equitable approach to the charging of fees. If you have any questions, our Customer Service Centre will be pleased to assist you.

How much do I pay?

Your fees depend on the type of service, the funding body, your needs and duration of the service provided to you.

For detailed information on our fees and charges, please refer to the Fees Booklet available from your Blue Care team member or from our Customer Service Centre.

What if I'm unable to pay?

Should circumstances mean you have limited ability to pay fees (e.g. have high medical or pharmaceutical costs), there are several avenues open to you for a reduction or waiver in fees. For some programs, clients can apply directly to Blue Care and for other programs, clients can complete a financial hardship form with Centrelink. Please speak with your Blue Care team member about your options.

How do I pay fees?

There are several options available to you to pay your fees, including direct debit, cheque, credit card or via Australia Post.

General information about fees is available from our Customer Service Centre. For specific questions about payment options, please contact one of our Community Finance Officers on **1800 708 061**.

Will my fees change in the future?

Our fees may change from time to time. Changes are usually in line with Government indexation / reviews. You will always be advised of any change before they are effective.

Can I give my Blue Care team member a gift?

While we understand that you may become very close with Blue Care staff they are not permitted to accept gifts of money or items of value.
